

HOW TO ADD PAYCODES TO SALARY TIMECARDS

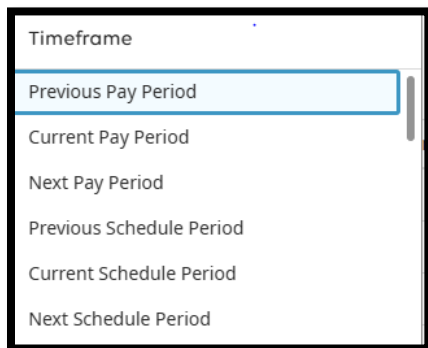

Managers may need to add a pay code to a salaried employee's timecard to establish a different pay type for worked or non-worked hours.

Main Menu > My Team > Team Timecards

- From the **Team Timecards** page, select the cell with the name of the employee whose timecard you to view at the top of the page

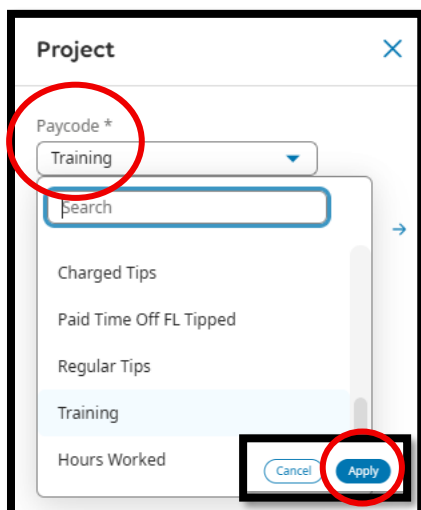

- Select the **Select Timeframe** icon  to select the timeframe from the drop-down list (ex. previous pay period)

Select the **Add New** icon

- Select the appropriate pay code from the **Pay code** drop-down list (ex. training)

- Select **Apply** and a new line on the timecard will appear
